23rd Annual General Meeting

Message From the Managing Director

Distinguished Shareholders and Guest

Assalamu Alaikum, by the grace of Almighty Allah, Fu-Wang Foods Limited passed another financial year of its operation. I, on behalf of the Board of Directors feel happy for having this opportunity to welcome you to the 24th Annual General Meeting and to write few words about the company's performance during the financial year 2019-2020.

Dear shareholders

During the year the factory operated @59% of production capacity and produced 6,430.80 M.Ton compared to last year's 7,420.40 M. Ton. Your company earned a net profit after tax of Tk. 6.06 crore compared to

Tk. 8.65 crore for the last year, which is decreased by 29.91%, beside this turnover decreased by 8.81%.

As you all know our country as the whole world was badly affected by the Covid-19 pandemic situation. Your company had also passed through a very hard time during lock down period. However, we tried to do our best and continue the factory operation running by one shift instead of three but sales dropped significantly as well as collection process.

Delivery of products to the dealers/distributors is hampered very badly. Turnover is declined on cumulative effects of Covid-19 pandemic situation, which is still prevailing. During lock down situation big portion of market was closed, consumers unwilling to purchase items other than regular commodity, which also has significant impact in the decreasing turnover.

However, despite of such critical situation and financial position of the company, the Board of Directors have recommended a 1.65% cash dividend for all Shareholders for approval in the 24th Annual General Meeting.

Honourable Shareholders

Fu-Wang Foods is one of the largest brands in the country and we are striving hard to increase our annual turnover and profitability. As part of our proactive product diversification policy, we have always been introducing new products to cater to the changing demands of the market. Hence, we have already introduced five nos. of new product in 2019-2020 and more to come.

Our core strategy is to enhance the financial strength of the company by maintaining an extensive product portfolio and increase our efforts to stimulate long term sales growth starting from this year. And we defiantly wish to overcome the damage caused by Covid-19 this year.

I would like to mention the continuous support, guidance and access that our national regulatory and financial institutions have provided us. The cooperation from Bangladesh Securities and Exchange Commission, Stock Exchanges and banks such as Dhaka Bank Ltd., Pubali Bank Limited, Sonali Bank Ltd., IDLC Bangladesh Ltd. acted as the crucial element behind the smooth and effective execution of our business operations.

Lastly, I would like to thank our Board of Directors, our employees and staff, vendors, suppliers, well wishers and at the end our customers and shareholders without whose relentless trust and loyalty in our brand, Fu-Wang Foods Ltd. would not be here today.

With best regards,

Dr. Arif Ahmed Chowdhury, CIP
Managing Director

REPORT OF THE BOARD OF DIRECTORS

for the year ended 30 June 2020

Dear Shareholders

Assalamu Alaikum. On behalf of the Board of Directors I am pleased to welcome you to the 24th Annual General Meeting of Fu-Wang Foods Ltd. (FWFL). My profound well wishes to you who joined and also to those who could not be join unfortunately. We deeply mourn for those respected shareholders whom we lost forever since our last Annual General Meeting and pray for salvation of their departed souls. I pray to Almighty for your healthy life and thank you very much for continuing relationship with the Fu-Wang family.

Respected Shareholders

I feel honourable to be able to present before you the 24th Annual Report of the company along with the Audited Financial Statements for the year ended 30 June 2020 and the Auditors' Report thereon.

Distinguished Shareholders

FWFL is a leading foods processing company in Bangladesh. It produces bread, biscuits, noodles, snacks, mini-snacks, chocolates, energy drinks and other food items for the growing and rapidly evolving middle class in Bangladesh. The company has been existence since 1997 and has been able to create the "Fu-Wang" brand name through its own network over the country. It has 6 (six) branch offices, 4 (four) depot and 516 (Five hundred and sixteen) distributors/dealers over the country. the products are available in retail stores through distributors/dealers. The project is located in Gazipur about 20 km north of Dhaka.

Raw Materials

Most of the raw materials for these items are purchases locally and a few items are imported. The main raw materials are flour, milk powder, butter, sugar, egg, oil etc. The company does not have any raw materials suppliers' agreements with any suppliers: however, that has not been a problem since commencement of production due to long standing good relationship with the Suppliers.

Financial Results and Business Performance

Honourable shareholders, you are aware that Fu-Wang Foods Ltd. is a food manufacturing industry with yearly production capacity of 10,900 M.Ton in three shifts (after balancing) as against which it could operate at 59% capacity during the year under review, producing 6,430.80 M.Ton in the fiscal year compared to last year 7,420.40 M.Ton.

We have passed another year 2019-2020 and your company earned a net profit after tax Tk. 6.06 crore as against Tk. 8.65 crore for the last year which is decreased by 29.91%, turnover decreased by 8.81% as well.

Dividend

As you all know our country as the whole world was badly affected by the Covid-19 pandemic situation. Your company had also passed through a lock down period. However, as a custodian we tried to continue the factory operation running by one shift instead of three but sales dropped significantly as well as collection process. We still passing hard time to clear dues and other liabilities as well. Despite of the overall critical situation and negative growth in financial position of the company, the Board of Directors has tried hard and recommended 1.65% (one and six five percent) cash dividend for all Shareholders after approval in the 24th Annual General Meeting.

Subsidiary Operation

FWFL has a subsidiary company in the name of “Fu-Wang Beverage Industry Limited” (FWBIL). The company was incorporated on 13 December, 2004 under the Companies Act. 1994 having Authorized Capital of Tk. 200,000,000.00 of which paid up capital of Tk. 10,000,000.00 divided into 100,000 Ordinary Shares of Tk. 100/- each as on June 30, 2020. FWFL holds 99% shares of the company (FWBIL).

Additional Statement

The Board of Directors is pleased to provide following information as per condition of Bangladesh Securities and Exchange Commission:

(i) Industry outlook and possible future developments in the industry:

Fu-Wang Foods Ltd. (FWFL) is one of the largest food manufacturing industries in the country. As a quality brand in Bangladesh ‘Fu-Wang’ is recognized to most of the middle to lower income group of people, to whom most of the company’s products are aimed. Food business is a distribution intensive business. FWFL currently has 6 (Six) branch offices, 4 (four) depots and 516 (Five hundred and sixteen) distributors/dealers over the country.

As we want to be a market leader, we are planning for expansion of product line in the upcoming year along with introduction of new exclusive items despite of downtrend of business on Covid-19 effect. We expect you will support us on the issue.

The Board of Directors is striving hard in line to increase turnover and profitability. As part of the diversification policy, the company has always been introducing new product as demand of the market and the company produced 5 nos. of new product in the corresponding year. The present strategy is to enhance the strength of the company.

(ii) Segment-wise or product-wise performance :

Description	Taka-2020 Net revenue	Taka-2019 Net revenue	Increase/Decrease over last year	
			Amount Tk.	%
1. VAT able Items	477,051,288	273,318,297	(203,732,991)	(74.54)
2. Non VAT able Items	314,125,215	594,263,267	280,138,054	47.14
TOTAL	791,176,503	867,581,564	(76,405,063)	(8.81)

(ii) Risks and concerns :

As with all investments, investors should be aware that there are risks associated with an investment in the company. These risks could result in loss of income or capital investment. Investors are encouraged to seek independent financial advice in this regard.

Industry Risk

This year new competitors have entered, as a result market competition increase significantly and may adversely affect the profitability of Fu-Wang Foods Limited.

Management Perception

Food business is a Distribution Intensive Business. FWFL currently has 6 (Six) branch offices 4 (four) depots and 516 distributors/dealers over the country. It may be difficult for a new company to establish such a wide distribution network in a short period of time. Therefore it is difficult and time consuming for a new entrant to quickly establish itself in the market and grab market share from us.

Moreover, food business is brand-dependent business. FW Food is asked by the consumers due to its brand name. The company is continuously concentrating on a “pull” strategy instead of “push”. To this end, FWFL spends a large amount of fund for promotion and advertisement to further enhance and strengthen its brand name.

Interest Rate Risks

Interest rate risk is concerned with borrowed funds of short term and long term maturity. Considering of money market and increase of demand for loans/investments, increase current liquidity position have effect the rate of interest in recent times.

Management Perception

The Management of the Company is always aware of interest rate. If the interest rate increases the cost of fund will increase, affecting profitability adversely.

Exchange Rate Risk

Exchange rate fluctuation may reduce the profitability of Fu-Wang Foods Limited because of its foreign trade commitments from various sources of foreign exchange like imported raw materials and machineries.

Management Perception

FWFL is able to pass on the additional cost of raw material through necessary price increases. Its brand name also to increase its price without much difficulty. Competitors may also increase their price if the raw material prices increase.

Market and Technology related Risk

In the global market of 21st century, developed technology obsoletes the old service/ product strategy. So the existing technology may not be efficient enough to cope up with the future trend and needs.

Management Perception

FWFL continuously upgrades its machines and technology. So the risk of obsolete technology is mitigated as the company continuously upgrades its technology every 5-6 years.

Changes in Economic & Political Condition

Changing economic & political conditions may affect the demand for the product offered by the company which may affect the turnover as well as profitability.

Management Perception

Social unrest due to political reasons may cause downturn of the economic activities which will have adverse impact on demands of foods.

Energy Costs may raise

Due to the adverse power situation in the country, production may be hampered due to interruption of power supply which may result in higher production wastage and lower productivity.

Management Perception

The Company is self sufficient in generating power by its own generators. However, in case of gas shortfall and subsequent rationing if any, then the productivity will be reduced. In that scenario, the over-all sector will be affected.

History of non-operation, if any

Fu-Wang Foods Limited is a food manufacturing industry with yearly production capacity of 10,900 M.Ton in three shifts as against which it could operate at 59% capacity during the year under review, producing 6,430.80 M.Ton in the fiscal year compared to last year 7,420.40 M.Ton. The shortfall in utilization of production capacity is greatly effected due to Covid-19 situation, during the period factory was operated in single shift instead of three and consumer demand in the market also declined.

Management Perception

Fu-Wang Foods Limited was incorporated on 17 February, 1997. It has already completed more than 23 years of successful operation. It has no record of operation failure yet and chances of being non-operative in the future is very remote.

(iv) Discussion on Cost of Goods sold, Gross Profit Margin and Net Profit Margin

Cost of Goods Sold	609,379,004	636,737,367	(27,358,363)	(4.30)
Gross Profit	181,797,499	230,844,197	(49,046,698)	(21.25)
Net Profit after Tax	60,632,854	86,501,411	(25,868,557)	(29.91)

Reasons for increase / Decrease of

1. Revenue
2. Cost of Goods sold
3. Gross Profit
4. Net Profit

Decrease of Revenue

During the year revenue decreased by Taka 76,405,061. The reason for lower turn-over is cumulative effects of Covid19 pandemic situation, which still prevailing. During lock down situation market closed, consumers not willing to buy items other than regular commodity which has significant impact in declining turnover.

Increased percentage of Cost of Goods Sold

During the year, Cost of Goods Sold is 77.02% of revenue as against 73.39% of the preceding year due to following reasons

- Increase of Raw Materials Cost and
- Supply of Raw Materials was not smoothly performed

Decrease of Gross Profit

This financial year Fu-Wang Foods Ltd. Gross profit reduced by Taka 49,046,698.07 which is 21.25% lower than previous year.

Decreased percentage of Net Profit

Independent Auditors' Report to the Shareholders of Fu-Wang Foods Limited

Report on the Audit of the Consolidated and Separate Financial Statements

Qualified Opinion

We have audited the consolidated and separate financial statements of **Fu-Wang Foods Limited** (the Company), which comprise the consolidated and separate statement of financial position as at June 30, 2020, and the consolidated and separate statement of profit or loss and other comprehensive Income, consolidated and separate statement of changes in equity and consolidated and separate statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information disclosed in notes 1 to 32 & Annexure-A.

In our opinion, except for the effect of the matter described in the basis for Qualified opinion section of our report the accompanying financial statements present fairly, in all material respects, the financial position of the company as at June 30, 2020, and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs), the Companies Act 1994, the Securities and Exchange Rules 1987 and other applicable laws and regulations.

Basis for Qualified Opinion

1. Revaluation shall be made with sufficient regularity to ensure that the carrying amount does not differ materially from that which would be determined using fair value at the end of the reporting period, but the entity did not revalue its building since 2010.

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Bangladesh, and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter

We draw attention to the fact disclosed in note-9.03

Our key audit matters

Risk	Our response to the risk
Income tax	
Refer note no 18.00(a) to the consolidated statement of financial position and note no. 24.00(a) to the consolidated statement of profit or loss and other comprehensive Income.	
<p>The company has different items of income, assets and provisions which requires significant judgment for both in current tax and deferred tax calculation.</p>	<p>Our procedure includes:</p> <p>Control test: testing the effectiveness of the entity's control around the recording and re-assessment of the amount of tax expenses and related assets and liabilities.</p> <p>Test of details: obtaining supporting documents, checked calculation and challenged the amount as per our knowledge of corporate taxation both for current and deferred portion.</p> <p>Assessing disclosure: considering the adequacy of the entity's disclosure regarding tax.</p> <p>Our result: the results of our testing were satisfactory and we found the level of tax provisioning is acceptable.</p>
Revenue	
Refer note no 19.00(a) to the Consolidated Statement of Profit or Loss and Other Comprehensive Income.	
<p>The group has multiple products with different procedure of revenue recognition. More over inter unit sales and inventory holding makes it complex audit issue.</p>	<p>Our procedure includes:</p> <p>Control test: testing the effectiveness of the entity's control around the recording revenue recognition.</p> <p>Test of details: recognition, point of revenue recognition, sales return adjustments, rebates, discounts, commissions, warranty etc. and transaction recorded either side of the year and debit notes issued after the year end to determine whether the amount recorded in correct period.</p> <p>Test the adjustments made for consolidation for inter unit/company sales and closing inventory.</p> <p>Test the adjustments made for commission, sales return, discounts with the revenue.</p> <p>Challenged the adjustments for warranty made in revenue as per our best knowledge.</p> <p>Assessing disclosure: considering the adequacy of the entity's disclosure regarding revenue.</p> <p>Our result: the result of our testing is satisfactory and we considered the carrying amount of revenue recognized to be acceptable and recorded in correctly.</p>

Other Information

Management is responsible for the other information. The other information comprises all of the information in the Annual report other than the financial statements and our auditors' report thereon. The directors are responsible for the other information.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements and Internal Controls

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRSs, the Companies Act 1994, the Securities and Exchange Rules 1987 and other applicable laws and regulations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision, and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safe guards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

In accordance with the Companies Act 1994, the Securities and Exchange Rules 1987 and relevant notifications issued by Bangladesh Securities and Exchange Commission, we also report that:

- a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;
- b) In our opinion, proper books of accounts, records and other statutory books as required by law have been kept by the Company so far as it appeared from our examinations of those books;
- c) The consolidated and separate statement of financial position and statement of profit or loss and other comprehensive Income, statement of changes in equity and statement of cash flows of the Company together with the annexed notes dealt with by the report are in agreement with the books of account and returns; and
- d) The expenditure was incurred for the purpose of the Company's business. Hence of the group audit. We remain solely responsible for our audit opinion.

The engagement partner on the audit resulting in this independent auditors' report is Md. Mustafizur Rahman FCA.

30.00 Contingent Liability:

There was a demand of Tk. 10,473,921 by the Custom & VAT Authority for payment of VAT in excess of the amount paid by the company during the financial year 1998-1999 and 1999-2000. The demand was made by the Deputy Commissioner, Customs Excise & VAT, Gazipur Division through his Memo No.-4/mushak/74/food/97/1400 dated 25/04/2001. The company preferred appeal on 08/12/2001 against demand.

The Appellate Authority reduced the demand to Tk. 7,838,832. The company, on 19-04-2003 filed second appeal before the Learned Appellate Tribunal. The Learned Appellate Tribunal confirmed the demand through order dated 23/12/2004. The company thereafter filed a Writ Petition 2058 of 2005 before the High Court Division of Hon'ble Supreme Court of Bangladesh. The Hon'ble High Court through its order dated 03/04/2005 stayed the operation of the Tribunal Order till disposal of the writ. This liability of Tk. 7,838,832 is thus contingent upon disposal of the Writ petition and further appeals, if any at all arises. Therefore, Tk. 7,838,832 is the contingent liability pertaining to the period upto June 30, 2019.

31.00 Event after the Balance Sheet Date:

31.01 The Board of Directors in its meeting held on October 27, 2020 has approved the Financial Statements for the year ended June 30, 2020 and recommended 1.65 % Cash dividend for the all shareholders which is subject to approval by the shareholders at the forthcoming Annual General Meeting (AGM) and authorize the financial statements for issue.

31.02 Except the fact stated above, no circumstances have arisen since the balance sheet date, which would require adjustment to or disclosure in the financial statements or notes thereto.

32.00 Financial risk management (IFRS 7)

32.01 Introduction

The Company's activities expose it to a variety of financial risks: credit risk, market risk (including interest rate risk and foreign currency risk), and liquidity risk. The Company's risk management focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the Company's financial performance. The Company uses derivative financial instruments to economically hedge certain risk exposures.

Financial risk management is carried out by accounts and finance department under policies approved by the Board of Directors. Company finance identifies, evaluates, and hedges financial risks in close co-operation with the Company's operating units. The 'Finance Policy' provides principles for specific areas, such as credit risk, interest rate risk, foreign currency risk, use of derivative financial instruments, and investment of excess liquidity.

This note presents information about the Company's exposure to each of the risks arising from financial instruments and the Company's objectives, policies, and processes for measuring and managing risk. Further quantitative disclosures are included throughout these consolidated financial statements.

32.02 Carrying amounts of financial instruments by category

The following table shows the carrying amounts of financial instruments by category at the end of June 30, 2020:

32.03 Credit risks:

Credit risk is the risk of financial loss to the Company if a customer or counterparty to financial instruments fails to meet its contractual obligations, and arises principally from cash and cash equivalents, time deposits, and trade accounts receivable.

The credit risk with Accounts Receivable (see note 06) is limited, as the Company has numerous dealer located in various geographical regions. The Company's exposure to credit

risk is influenced mainly by the individual characteristics of each dealer. Credit limits are established for each dealer, whereby the credit limit represents the maximum open amount without requiring payments in advance these limits are reviewed regularly (credit check).

The maximum exposure to credit risk is represented by the carrying amount of each financial asset, including derivative financial instruments, in the Statement of Financial Position. There are no commitments that could increase this exposure to more than the carrying amounts.

32.04 Market risks

Market risk is the risk that changes in market prices, such as interest rates, foreign exchange rates, and other prices will affect the Company's result or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters while optimizing the return on risk.

32.05 Interest rate risk

At the reporting date, the Company had the following interest-bearing financial instruments: cash and cash equivalents, and bank liabilities. All cash and cash equivalents mature or reprise in the short-term, no longer than three months.

Borrowings mainly bear interest at fixed rates. Cash and cash equivalents and borrowings issued at variable rates expose the Company to cash flow interest rate risk.

The Company does not account for any fixed-rate borrowings at fair value through profit or loss. Therefore a change in interest rates at the reporting date would not affect profit or loss.

The Company Finance manages the interest rate risk to reduce the volatility of the financial result as a consequence of interest rate movements. For the decision whether new borrowings shall be arranged at a variable or fixed interest rate, the Company Finance focuses on an internal long-term benchmark interest rate and considers the amount of cash and cash equivalents held at a variable interest rate. Currently, the interest rate exposure is not hedged.

32.06 Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. Company Finance manages the Company's liquidity to ensure sufficient liquidity to meet all liabilities when due, under both normal and stressed conditions, without facing unacceptable losses or risking damage to the Company's reputation.

Excess liquidity can be invested in instruments such as time deposits, government, and corporate bonds, shares of publicly listed companies, and capital protected instruments.

The following are the contractual maturities of financial liabilities, including interest payments:

BDT	Carrying amount	"Between 1 and 90 days"	"Between 91 and 360 days"	"Between 1 and 2 years"	Over 2 years
Non-derivative financial liabilities					
Long Term Loan	23,694,915	-		14,809,322	8,885,593

Independent Auditors' Report

of

Fu-Wang Beverage Industry Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **FU-WANG BEVERAGE INDUSTRY LTD.** which comprise the statement of financial position as at 30 June 2020, and the statement of profit or loss & other comprehensive income, statement of cash flows, statement of changes in equity for the year then ended, and Notes to the Financial Statements.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Company as at 30 June 2020, and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs), the Companies Act 1994 and other applicable laws and regulations.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the ethical requirement that are relevant to our audit of the financial statements in Bangladesh, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with IFRSs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

In accordance with the Companies Act 1994, we also report the following

- a) We have obtained all the information and explanation which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appeared from our examination of those books; and
- c) The statement of financial position and statement of profit or loss and other comprehensive income dealt with by the report are in agreement with the books of account.
